

# Welcome to the Spectrum Health/ Michigan State University Residency and Fellowship Program

Join our world-class medical community and help us build the future of medicine.

## Why Spectrum Health?

Spectrum Health is committed to graduate medical education. Residents and fellows help expand our medical expertise and provide a pipeline for our future.

We are a national leader in health care. Named six times by Truven Health Analytics® as one of the top five large health systems in the nation, our mission is to improve the health of our communities and help individuals live their best lives. Together, our dedicated physicians, care teams and leaders are building one seamless Spectrum Health experience to deliver high-quality, safe, evidence-based and affordable care.

Spectrum Health is focused on clinical excellence, education and research. Our high-volume and clinically diverse programs and services offer high-quality, specialized experience in primary, tertiary and quaternary care.

## West Michigan and Grand Rapids are thriving economies

West Michigan has one of the nations fastest growing **life sciences** clusters, with more than \$1 billion in recent investments. In the heart of Grand Rapids, the Medical Mile consists of Van Andel Institute, Spectrum Health Medical Center, including Spectrum Health Helen DeVos Children's Hospital, Michigan State University College of Human Medicine's Secchia Center, Grand Valley State University's Cook-DeVos Center for Health Sciences, and Grand Rapids Community College's Calkins Science Center.

West Michigan is the **fastest-growing economy** in the U.S, experiencing 38.7 percent industry job growth over the past 10 years. More than 44,000 jobs were created from the biosciences industry alone, 11 percent above the national average.

(Source: The Right Place)

**Philanthropy** has significantly impacted growth of the Medical Mile and Spectrum Health, including the \$3.1 million Jacob and Lois Mol Cardiovascular Simulation Center. Spectrum Health Foundations raised \$410 million since the formation of the system in 1997 for programs, research and innovation.

## Spectrum Health and Michigan State University College of Human Medicine Family Medicine Residency Program

### Program Highlights

- Rural and urban training combined—the best of both worlds
- Experienced faculty
- Research opportunities
- Population health emphasis
- Culinary medicine didactics

Fred Meijer Flat River Trail is the winner of the "Quality of Life Award" by the American Society of Civil Engineers

## West Michigan offers many opportunities for work-life balance

**Greenville is a quaint, rural community with the luxuries and services found in significantly larger cities and within close proximity to Grand Rapids.**

**The great outdoors:** Fred Meijer Flat River Trail, 10 public parks, Baldwin Lake beach, Klackle Orchards, golfing and Lake Michigan beaches

**Arts and culture:** Greenville is deeply rooted in its Danish heritage, home of the Danish Festival for over 50 years, Fighting Falcon Museum and Flat River Historical Museum. Grand Rapids attractions include: Frederik Meijer Gardens & Sculpture Park, Grand Rapids Zoo, ArtPrize, Van Andel Arena, DeVos Performance Hall, Grand Rapids Civic Theatre, Grand Rapids Ballet, Grand Rapids Symphony, Grand Rapids African American Museum & Archives, performing arts, shopping

**Montcalm Community College:** West-central Michigan's preeminent provider of and preferred choice for education, training and lifelong learning opportunities

**Sports:** Home of the West Michigan Whitecaps (affiliate for the Detroit Tigers), Grand Rapids Griffins (affiliate for the Detroit Red Wings), Grand Rapids Drive (affiliate for the Detroit Pistons) and Grand Rapids FC soccer

Our residency and fellowship programs offer social activities, wellness programs and a diversity council to foster respect, personal health and camaraderie.
