## Current Position

Assistant Professor  
Department of Family Medicine  
College of Human Medicine  
Michigan State University  
Grand Rapids, Michigan

## Education

Fellowship, Pediatric Pain, Cincinnati Children's Hospital Medical Center Cincinnati, OH	2011-2014
Residency/Internship, Pediatric Behavioral Medicine, University of Miami/ Jackson Memorial Medical Center, Miami, FL	2010-2011
Ph.D., Clinical Child Psychology, Virginia Polytechnic Institute and State University Blacksburg, VA	2006-2011
M.S., Clinical Psychology, Virginia Polytechnic Institute and State University Blacksburg, VA	2006-2007
B.A., Psychology (summa cum laude with distinction), Boston University Boston, MA	2002-2005

## Academic Appointments

Assistant Professor Department of Family Medicine College of Human Medicine Michigan State University Grand Rapids, MI	2019-present
Assistant Professor Department of Pediatrics Division of Behavioral Medicine and Clinical Psychology Cincinnati Children's Hospital Medical Center University of Cincinnati College of Medicine Cincinnati, OH	2014-2019

## Professional Positions and Experience

Postdoctoral Fellow, NIH/NICHHD F32 Award Division of Behavioral Medicine and Clinical Psychology Cincinnati Children's Hospital Medical Center, Cincinnati, OH	2014
---	------

Postdoctoral Fellow, Pediatric Pain Division of Behavioral Medicine and Clinical Psychology Cincinnati Children's Hospital Medical Center, Cincinnati, OH	2011-2014
Internship, Pediatric Behavioral Medicine University of Miami/Jackson Memorial Medical Center, Miami FL	2010-2011
Clinical Research Coordinator, Center for Treatment Adherence Division of Behavioral Medicine and Clinical Psychology Cincinnati Children's Hospital Medical Center, Cincinnati OH	2009-2010
Graduate Research Assistant, Child Study Center Department of Psychology Virginia Polytechnic Institute and State University, Blacksburg VA	2007-2009
Instructor, Introduction to Psychology Recitation Department of Psychology Virginia Polytechnic Institute and State University, Blacksburg VA	2006
Research Associate Columbia University Medical Center, New York, NY	2005-2006
Researcher/Clinician Macquarie University Anxiety Research Unit, Sydney Australia	2005
Child Worker Collingham Gardens Childhood Psychiatric Unit, London, England	2004

### **Certification and Licensure**

Licensed Psychologist, Michigan Psychologist (License # 6301018237)	2019-present
Licensed Psychologist, Ohio Psychologist (License # 7210)	2014-present

### **Professional Development**

#### **Professional Memberships and Activities**

Member, Society of Pediatric Psychology (SPP), Division 54 of APA	2020-present
Member, Society for Behavioral Medicine	2019-present
Member, Childhood Arthritis and Rheumatology Research Alliance (CARRA)	2018-present
Co-chair, Mental Health Workgroup	2019-present
Member, International Association for the Study of Pain (IASP)	2013-2014
Member, American Pain Society (APS)	2012-2019
Member, Society of Clinical Child and Adolescent Psychology, Division 53 of APA	2010
Elected Research Symposium Chair, Graduate Student Assembly at Virginia Tech	2008
Member, Sigma Xi, The Scientific Research Society at Virginia Tech	2008-2010
Member, Anxiety Disorders Association of America (ADAA)	2007-2009
Member, Association for Behavior and Cognitive Therapies (ABCT)	2004-2011
Elected Student Representative, ABCT Child Anxiety Special Interest Group	2008-2010
Member, Golden Key International Honor Society, Boston University	2002-2005
Member, Phi Beta Kappa Society, Boston University	2002-2005
Member, Psi Chi, The National Honor Society in Psychology, Boston University	2002-2005

### **Editorial Board Appointments**

Children (Editorial Board Member) 2020-present

### **Reviewer Appointments**

Arthritis Care and Research (Invited Reviewer)	2017-present
Pain (Invited Reviewer)	2015-present
European Journal of Pain (Invited Reviewer)	2016-present
Journal of Pediatric Psychology (Invited Reviewer)	2014-present
Clinical Journal of Pain (Invited Reviewer)	2013-present
Journal of Pain (Invited Reviewer)	2013-present
Pediatrics (Mentee Reviewer)	2013-present
Clinical Child and Family Psychology Review (Invited Reviewer)	2010
Behavior Therapy (Invited Reviewer)	2009

### **Committee Assignments and Administrative Services**

Michigan State University Department of Family Medicine, Grand Rapids, MI Elected Member (Tenure Stream), Reappointments, Promotions, & Tenure	2020-2023
Member, Research subcommittee	2019-present
Member, Reducing opioid use, increasing wellness in family medicine practice	2019-present

### **Clinical / Quality Improvement Activities**

Licensed Clinical Psychologist	2014-2019
--------------------------------	-----------

Division of Behavioral Medicine and Clinical Psychology  
Cincinnati Children's Hospital Medical Center, Cincinnati, OH  
Occasional coverage of psychological services in medical clinics (i.e., gastroenterology, headache center, and pain) at 20% effort for 6 months, and intermittently (1% effort) as needed. Supervise psychological assessment and pain-focused CBT (5% effort).

Postdoctoral Fellow	2011-2014
---------------------	-----------

Division of Behavioral Medicine and Clinical Psychology  
Cincinnati Children's Hospital Medical Center, Cincinnati, OH  
Supervisors: Susmita Kashikar-Zuck, Ph.D., Anne Lynch-Jordan, Ph.D.  
Provided CBT to youth with chronic pain (5% effort). Developed anxiety screening process and tailored CBT for youth with FAPD (10% effort). Conducted psychosocial assessments for youth with fibromyalgia (5% effort). Provided consultation/liaison in multi-disciplinary pediatric pain clinic (5% effort).

Member, Academic Pain Collaborative	2011-2014
-------------------------------------	-----------

Division of Behavioral Medicine and Clinical Psychology  
Cincinnati Children's Hospital Medical Center, Cincinnati, OH  
Quality improvement focused on improving outcomes of patients receiving pain-focused CBT in the division. Published manuscripts on clinical outcomes (5% effort).

Psychology Intern, Pediatric Behavioral Medicine	2010-2011
--	-----------

University of Miami/Jackson Memorial Medical Center, Miami, FL  
Primary Supervisor: Judith McCullough, Ph.D.  
Psychiatric Assessment Supervisors: Susan Chalfin, Ph.D., Mercedes Briones, Psy.D.  
Duties included (1) pediatric consultation-liaison in Holtz Children's Hospital and Ryder Trauma Center (80% effort); (2) child/adolescent outpatient assessment and treatment (10% effort); and (3) assessment of youth in psychiatric facilities (10% effort).

Research Interventionist, Center for Adherence	2009-2010
--	-----------

Division of Behavioral Medicine and Clinical Psychology  
Cincinnati Children's Hospital Medical Center, Cincinnati, OH  
Supervisor: Korey K. Hood, Ph.D.

CBT for depression to adolescents with type 1 diabetes and their caregivers (25% effort).

Extern, Child and Adolescent Inpatient Unit  
Carilion Medical Center, Roanoke, VA  
Supervisors: David Hamilton, Ph.D., Susan Atlee, Ph.D., Mark Kilgus, M.D.  
Assessments and therapy in a child/adolescent psychiatric inpatient unit (100% effort).  
2008

Therapist/Clinician, Child Study Center  
Department of Psychology  
Virginia Polytechnic Institute and State University, Blacksburg, VA  
Supervisors: Thomas H. Ollendick, Ph.D., Ross Greene, Ph.D.,  
Assessment and treatment on NIMH-funded studies on child specific phobias and  
Oppositional Defiant Disorder. Trained in collaborative problem solving. (50% effort).  
2007-2009

Therapist, Psychological Services Center  
Department of Psychology  
Virginia Polytechnic Institute and State University, Blacksburg, VA  
Supervisors: George Clum, Ph.D., Russell T. Jones, Ph.D.  
Individual and family therapy for children, adolescents, couples, and adults. Conducted  
social skills training for youth with autism. Supervised graduate students (25% effort).  
2006-2008

Clinician, Violence and Victimization Lab  
Department of Psychology  
Virginia Polytechnic Institute and State University, Blacksburg, VA  
Supervisor: Angela Scarpa, Ph.D.  
Assessed childhood sexual abuse survivors (10% effort).  
2006-2007

Therapist/Clinician  
Macquarie University Anxiety Clinic, Sydney, Australia  
Supervisor: Ronald Rapee, Ph.D.  
Therapist for children ages 9-12 and their parents in group CBT. Assessed children,  
adolescents, and adults. Trained psychology interns in assessment (50% effort).  
2005

Child Worker  
Collingham Gardens Psychiatric Unit, London, England  
Supervisor: Paul Byrne, Unit Manager  
Worked in an inpatient unit for children and adolescents with a variety of emotional and  
behavioral disorders. Conducted individual therapy sessions. (50% effort).  
2004

## **Educational Activities**

*Research/Clinical Teaching*  
Michigan State University Department of Family Medicine, Grand Rapids, MI  
Primary Mentor  
Trained graduate students (MSU & Wright State) on psychological assessment and  
intervention as part of research studies. Mentor for scholarly activities.  
2020-present

Cincinnati Children's Hospital Medical Center, Cincinnati, OH  
Primary Mentor  
Trained postdoctoral fellows and graduate students on psychological assessment and  
intervention as part of research and clinical practice. Mentor for scholarly activities.  
2015-2019

Cincinnati Children's Hospital Medical Center, Cincinnati, OH  
Mentor, Summer Undergraduate Research (SURF) program  
Supervisor; coordinate research placement for undergraduate students 10-week  
program; assist with developing summer research projects.  
2013, 2014

*Formal Instruction*

Virginia Polytechnic Institute and State University, Blacksburg, VA 2006, 2007

Instructor, Introduction to Psychology Recitation

Supervisor: Philip Lehman, M.S.

Taught three sections (approximately forty students each) of Introduction to Psychology Recitation. Developed lecture notes, class activities, paper topics, and exams. Graded exams and papers. Received excellent ratings in teaching from students.

Boston University, Boston, MA 2004

Teaching Assistant, Psychology of Personality

Supervisor: Richard Ely, Ph.D.

Offered tutoring prior to exams; provided support to a student with a learning disability

Boston University, Boston, MA 2003

Teaching Assistant, Developmental Psychology

Supervisor: Rebecca Alexander, Ph.D.

Organized study sessions prior to exams; provided tutoring for interested students.

*Invited Lectures*

University of Cincinnati, Cincinnati, OH 2016

Guest Speaker, Department of Psychology

Presentation on improving screening and care for anxious youth with FAPD.

Savannah State University, Savannah, GA 2013

Guest Lecturer, Introduction to Behavior Analysis

Taught two sections (forty students each) via Skype. Lectured on graduate training in clinical psychology and on cognitive behavioral therapy for pediatric pain.

Savannah State University, Savannah, GA 2012

Guest Lecturer, Counseling Psychology

Taught one section (approximately forty students). Lectured on CBT for pediatric pain.

Virginia Polytechnic Institute and State University, Blacksburg, VA 2008

Guest Lecturer, Child Psychopathology

Taught one section (fifty students). Lectured on substance abuse and sleep in youth.

Virginia Polytechnic Institute and State University, Blacksburg, VA 2007, 2008

Guest Lecturer, Research Methods

Taught two sections (fifty students each) of Research Methods in Psychology. Lectured on the treatment of childhood phobias. Developed lecture notes, class activities, and exams.

**Honors and Awards**

Citation Award Abstract Recipient, Society for Behavioral Medicine 2020

Fellow, NIH OBSSR Summer Institute on Randomized Behavioral Clinical Trials 2014

Young Investigator Travel Award, American Pain Society (APS) 2013

Recipient, NIH Pediatric Loan Repayment Program, Pediatric Research 2013-2017

Young Investigator Travel Award, American Pain Society (APS) 2012

Pediatric Young Investigator Award, APS SIG on Pain in Infants, Children, and Adolescents 2012

Psychology Intern Excellence Award, University of Miami/Jackson Memorial Medical Center 2011

Child Anxiety Research Award, Association for Behavior and Cognitive Therapies 2008

John Neal Memorial/Sigma Xi Master's Thesis Award, Virginia Tech 2008

Clinical Child Research Fund/Galper Fund, Virginia Tech 2007-2009

Graduate Student Assembly Travel Fund Program, Virginia Tech 2006-2008

Independent Work for Distinction, Boston University 2005

Summa Cum Laude, Boston University	2005
Psi Chi, The National Honor Society in Psychology, Boston University	2004
Golden Key International Honor Society, Boston University	2004
Phi Beta Kappa Society, Epsilon Chapter, Boston University	2004

## Grants and Contract Awards

### Current Grants

*Using fMRI to understand response to an integrative treatment for pain and anxiety in pediatric functional abdominal pain disorders (FAPD)*

Agency: NCCIH

Award Type: Mentored Patient-Oriented Research Career Development Award (K23)

Award Total: \$495,407

Role of Project: Principal Investigator

Period Funded: 01/01/2018-12/30/2022

*A remotely delivered CBT intervention for youth with cSLE: A multi-site patient-engaged investigation*

Agency: Childhood Arthritis and Rheumatology Research Alliance- Arthritis Foundation

Award Type: Transdisciplinary Research Grant

Award Total: \$150,000

Role of Project: Principal Investigator

Period Funded: 12/01/2019-11/30/2021

*Adverse Childhood Experiences (ACEs) in Youth with Juvenile Idiopathic Arthritis (JIA)*

Agency: Childhood Arthritis and Rheumatology Research Alliance- Arthritis Foundation

Award Type: Large Grant (Rubinstein/Bullock, Co-PIs)

Award Total: \$50,000

Role of Project: Co-Investigator

Period Funded: 7/01/2019-6/30/2020

### Past Grants:

*Brain Mechanisms of Attention and Pain in Youth with Functional Abdominal Pain Disorders and Comorbid Anxiety*

Agency: Cincinnati Children's Hospital Medical Center

Award Type: Trustee Grant Research Award

Award Total: \$75,000

Role of Project: Principal Investigator

Period Funded: 07/01/2018-06/30/2019

*Stepped Care Approach for Delivering CBT to Youth with Functional Abdominal Pain*

Agency: American Pain Society

Award Type: Sharon S. Keller Chronic Pain Research Grant

Award Total: \$35,000

Role of Project: Principal Investigator

Period Funded: 2015-2017

*Improving Screening and Care for Anxious Youth with Functional Abdominal Pain (FAP)*

Agency: Cincinnati Children's Hospital Medical Center

Award Type: Place Outcomes Research Award

Award Total: \$150,000

Role of Project: Principal Investigator

Period Funded: 2015-2017

*ADAPTing CBT for youth with functional abdominal pain and co-occurring anxiety*

Agency: NICHD

Award Type: F32  
Award Total: \$14,098  
Role on Project: Principal Investigator  
Period Funded: 2015

*National Institute of Health Pediatric Loan Repayment Program, Pediatric Research*  
Agency: NICHD  
Period Funded: 2013-2017

19. Strotman D, Sil S, **Cunningham NR**, Bromberg M, Lynch-Jordan AM, Ting T, Kashikar-Zuck S. Use of the 2010 ACR fibromyalgia diagnostic criteria to identify long-term outcomes in patients with juvenile fibromyalgia. *The Journal of Pain*. 2013;14(4):S6.
20. **Cunningham NR**, Lynch-Jordan A, Barnett K, Kashikar-Zuck S. Examination of parent and child catastrophizing on functional disability in youth with recurrent abdominal pain. *The Journal of Pain*. 2012;13(4):S17.
21. Sil S, Strotman D, **Cunningham NR**, Kashikar-Zuck S. Physical Activity Levels in Adolescents with Juvenile Fibromyalgia Syndrome Following a Behavioral Treatment Program. *The Journal of Pain*. 2012;13(4):S96.

## Oral Presentations

National/International Meetings	Year
1. <b>Cunningham NR</b> . Using fMRI to understand response to an integrative treatment for pain and anxiety in pediatric functional abdominal disorders: A preliminary investigation of pain. Presented virtually as part of the American Congress of Rehabilitation Medicine Meeting.	2020
2. <b>Cunningham NR</b> . A remotely delivered cognitive behavioral therapy (CBT) intervention for adolescents and young adults with cSLE. Presented via zoom as part of the Childhood Arthritis & Rheumatology Research Alliance Pain Workgroup Meeting.	2020
3. <b>Cunningham NR</b> , Kalomiris AE. Cognitive behavioral therapy for pediatric abdominal pain disorders reduces caregiver anxiety. To be presented at Society for Behavioral Medicine, San Francisco, CA. *Citation Abstract Award (excellent overall abstract). <i>Note. Presentation cancelled due to COVID-19 Outbreak.</i>	2020
4. Law E, <b>Cunningham NR</b> , Palermo T, Streisand R. Developing successful NIH	2020

applications for early career awards: strategies for applicants and mentors. To be presented at the Society for Pediatric Psychology, Dallas, TX.  
*Note. Presentation cancelled due to COVID-19 Outbreak.*

5. **Cunningham NR.** Innovative methods of pediatric pain assessment: practical approaches for clinicians (Cunningham, Chair). Presented *Using risk stratification to predict outcomes in pediatric functional abdominal pain & childhood lupus* at the 11<sup>th</sup> International Symposium on Pediatric Pain, Kuala Lumpur, Malaysia. Contributors: **Natoshia Cunningham**, Soumitri Sil, and G. David Champion. 2017
6. **Cunningham NR.** Neuromechanisms underlying response to the water load symptom provocation test (WL-SPT) in youth with irritable bowel syndrome (IBS). APS SIG on Pain in Infants, Children, and Adolescents, presented at the 36<sup>th</sup> Annual Scientific Meeting of the American Pain Society Conference, Pittsburg, PA. 2017
7. **Cunningham NR.** Preliminary findings of a stepped care approach to delivering CBT to youth with functional abdominal pain. APS SIG on Pain in Infants, Children, and Adolescents, presented at the 35<sup>th</sup> Annual Scientific Meeting of the American Pain Society Conference, Austin, TX. 2016
8. **Cunningham NR.** Towards a stepped care approach: exploring targets and levels of behavioral intervention in pediatric chronic pain (Cunningham, Chair). Presented *Stepped care approach to CBT for pediatric functional abdominal pain* at the 10<sup>th</sup> International Symposium on Pediatric Pain, Seattle, WA. Contributors: **Natoshia Cunningham**, Lynn Walker, Tonya Palermo, & Sara Williams 2015
9. **Cunningham NR**, Jagpal A, Lynch-Jordan AM, Peugh J, Cohen M, Farrell M, Mezoff A, Kashikar-Zuck S. A brief algorithm to predict disability in youth with FAP after 6 months. APS SIG on Pain in Infants, Children, and Adolescents, presented at the 34<sup>th</sup> Annual Scientific Meeting of the American Pain Society Conference, Palm Springs, CA. 2015
10. **Cunningham NR**, Lynch-Jordan AM, Cohen M, Farrell M, Mezoff A, Kashikar-Zuck S. Screening for anxiety in youth with functional abdominal pain based on parent and child reports. APS SIG on Pain in Infants, Children, and Adolescents, presented at the 32<sup>nd</sup> Annual Scientific Meeting of the American Pain Society Conference, New Orleans, LA. 2013
11. **Cunningham NR**, Kashikar-Zuck S, Juvenile Fibromyalgia Study Group. The effect of comorbid psychological disorders in the treatment of juvenile fibromyalgia. Pediatric Young Investigator Award, APS SIG on Pain in Infants, Children, and Adolescents, presented at the 31<sup>st</sup> Annual Scientific Meeting of the American Pain Society Conference, Honolulu, HI. 2012
12. **Cunningham NR**, Cunningham TR. Improving medical outcomes using behavioral science. Invited symposium presented at Savannah State University, Savannah, GA. 2012
13. **Cunningham NR**, Kashikar-Zuck S. The development of a group-based cognitive behavioral therapy intervention for youth with co-occurring anxiety and recurrent abdominal pain. Presented at the Annual Conference of the Association for Behavior and Cognitive Therapies, Toronto. 2011

14. **Raishevich N**, Ollendick TH, Youth with comorbid anxiety and conduct problems: epidemiology, assessment, and treatment. Symposium Chair – Symposium presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, New York, NY. 2009
15. **Raishevich N**, Cowart M. Parental involvement in treatments for child anxiety disorders. Discussant – Symposium (Thomas Ollendick, Chair) presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Orlando, FL 2008
16. **Raishevich N**, Ollendick TH, Jensen PS. Treatments and targets of ADHD and internalizing disorders in children: a 30-year review of randomized control trials. Symposium (Thomas Ollendick, Chair) presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA. 2007
17. **Raishevich N**, Jensen PS, Wells K, Goldman E, Lochman, J. Applying evidence-based practice in real world settings I: Does it work? Can it Work? Voices from the field. Discussion Chair - Topical Discussion presented at the Annual Conference of the Research and Training Center for Children's Mental Health, Tampa, FL. 2006

Local/Regional Meetings

1. Ely S, **Cunningham NR**. REDCap for Self-Management: Implications for Family Medicine Research, Education, and Practice. Presented via zoom as part of the Department Meeting, Michigan State University, Department of Family Medicine, Grand Rapids, MI. 2020
2. Ely S, **Cunningham NR**. Using REDCap as a Self-Management Tool for Chronic Health Conditions. Presented via zoom as part of the Research Subcommittee Meeting, Michigan State University, Department of Family Medicine, Grand Rapids, MI. 2020
3. **Cunningham NR**. Neuroimaging research in youth with functional abdominal pain disorders. Presented via Webex as part of the Advanced Radiology Services Research and Education Committee Meeting, Grand Rapids, MI. 2020
4. **Cunningham NR**. Increasing access to mental health care for children with chronic pain. Presented via Microsoft Teams as part of the Helen DeVos Children's Hospital Grand Rounds, Grand Rapids, MI. 2020
5. **Cunningham NR**. Supporting Pediatric Mental Wellness During COVID-19: Part II. Presented via Microsoft Teams as part of the Helen DeVos Children's Hospital Grand Rounds, Grand Rapids, MI. 2020  
Contributors: Jennifer Bowen & **Natoshia Cunningham**
6. **Cunningham NR**. Research Introduction. Presented via Microsoft Teams as part of the MSU Residency Research Didactics, East Lansing, MI 2020
7. **Cunningham NR**. A remotely delivered CBT intervention for youth with cSLE: a multi-site 2020 patient-engaged intervention. Presented via zoom to the Department of Rheumatology, Toronto Hospital for Sick Children, Toronto, CA. 2020
8. **Cunningham NR**. A remotely delivered cognitive behavioral therapy (CBT) intervention for adolescents and young adults with childhood-onset lupus. Presented at the Research Subcommittee Meeting, Michigan State University, Department of Family Medicine, East Lansing, MI. 2020

9. **Cunningham NR.** Neuroimaging research in youth with functional abdominal pain disorders and other collaborative possibilities. Presented at Spectrum Health System Department of Radiology, Grand Rapids, MI. 2020
10. **Cunningham NR.** Improving psychological care for pediatric patients. Presented at Michigan State University, Division of Public Health, Flint, MI. 2019
11. **Cunningham NR.** Assessment and treatment of pediatric functional abdominal pain disorders: a biopsychosocial approach, Presented at the MSU GI Neuroscience Group, East Lansing, MI. 2019
12. **Cunningham NR.** Research Overview. Presented at the Research Subcommittee Meeting, Michigan State University, Department of Family Medicine, East Lansing, MI. 2019
13. **Cunningham NR.** Nonpharmacological approaches to treating pediatric functional abdominal pain disorders. Presented at the First Annual Symposium on Integrated Health, The Children's Hospital of Philadelphia, Philadelphia, PA. 2017
14. Moore R, **Raishevich N**, Salley B, Scarpa A. Understanding and working with youth with autism. Invited workshop presented at the Annual Virginia Cooperative Extension Staff Development Conference, Charlottesville, VA. 2007

## Poster Presentations

### National/International Meetings

1. **Cunningham NR**, Nahman-Averbush H, Lee G, King C, Coghill R. Functional connectivity between the amygdala and pain-related brain regions in youth with FAPD. Poster to be presented at the 20<sup>th</sup> annual organization for human brain mapping (OHBM), Montreal, Canada 2020
2. **Cunningham NR**, Fussner L, Danguedan A, Le C, Chapson A, Nguyen E, Thompson J, Thompson A, Moyer M, Kashikar-Zuck S, Knight A. A patient-engaged approach to refining a psychological therapy for individuals with childhood-onset lupus. Poster presented at the Childhood Arthritis Rheumatology and Research Alliance, Louisville, KY. 2019
3. **Cunningham NR**, Moorman E, Fussner L, Ayar Adin P, Watts A, Harry O, Kashikar-Zuck S, Brunner H. Development of the treatment and education approach for childhood-onset lupus (TEACH) intervention for adolescents and young adults. Poster presented at the Childhood Arthritis Rheumatology and Research Alliance, Denver, CO. 2018
4. Aggarwal R, Moorman E, Farrell M, **Cunningham NR**. Clinical characteristics of pediatric functional abdominal pain disorders in relation to the presence of clinical anxiety. Poster presented at the American Pain Society Scientific Summit, Anaheim, CA. 2018
5. Moorman E, Denson L, Santucci N, **Cunningham NR**. Gastrointestinal inflammation is related to a clinically complex profile in youth with functional abdominal pain: a biopsychosocial approach to clinical phenotyping. Poster presented at Society for Pediatric Psychology, Orlando, FL. 2018
6. Moorman E, Nelson S, Farrell M, **Cunningham NR**. Qualitative analysis of the 2017

feasibility of the aim to decrease anxiety and pain treatment (ADAPT) for youth with FAP. Poster presented at the Society for Pediatric Psychology, Portland, OR.

7. Jagpal A, **Cunningham NR**, Peugh J, Cohen M, Farrell M, Mezoff A, Lynch-Jordan A, Kashikar-Zuck S. A combination of risk factors predicts disability after 6 months in youth with FAP. Poster presented at the 34th Annual Scientific Meeting of the American Pain Society, Palm Spring, CA. 2015
8. **Cunningham NR**, Jagpal A, Lynch-Jordan A, Kashikar-Zuck S. The development of the aim to decrease anxiety and treatment. Poster presented at the 34th Annual Scientific Meeting of the American Pain Society, Palm Spring, CA. 2015
9. **Cunningham NR**, Squires J, Lynch-Jordan AM, Farrell M, Mezoff A, Cohen M, Kashikar-Zuck S. Concordant parent-child reports of anxiety predict impairment in youth with functional abdominal pain. Poster presented at the North American Society for Pediatric Gastroenterology, Hepatology and Nutrition (NASPGHAN) Annual Meeting, Atlanta, GA. 2014
10. **Cunningham NR**, Lewis K, Ollendick TH. Comorbid anxiety and ODD and global functioning: The role of cumulative family risk. Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, San Francisco, CA. 2010
11. Rausch JR, **Cunningham NR**, Vesco A, Hood KK, Dolan LM. Statistical analysis of moderating variables: probing the relationship between depressive symptoms and suboptimal glycemic control. Poster presented at the 70th Scientific Sessions of American Diabetes Association, Orlando, FL. 2010
12. **Raishevich N**, Costa N, Ollendick TH. Phenomenology of clinic referred youth with comorbid disorders: behavioral correlates and parenting behavior. Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, New York, NY. 2009
13. **Raishevich N**, Ollendick TH. The reliability of the behavioral approach/avoidance task (BAT) in a sample of phobic youth. Poster presented at the 25<sup>th</sup> Annual Convention of the Association for Behavioral Analysis, Phoenix, AZ. 2009
14. **Raishevich N**, Landis P, Ollendick, TH. The relationship between comorbid anxiety/ODD in youth, family environment, and overall functioning. Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Orlando, FL. 2008
15. **Raishevich N**, Benoit K, Scarpa A, Ollendick TH. The relationship between childhood aggression and teacher-reported social problems: the moderating role of family environment. Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Orlando, FL. 2008
16. **Raishevich N**, Benoit K, Ollendick TH. The relationship among phobias, family environment, and internalizing symptoms in children: an examination of maternal and paternal reports of family environment. Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Orlando, FL. 2008
17. Benoit K, **Raishevich N**, Canavera K, Ollendick TH. Maternal efficacy as a 2008

moderator of the relationship between maternal overprotection and child anxiety: does the effect differ by age and gender? Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Orlando, FL.

18. **Raishevich N**, Benoit K, Ollendick TH. The relationship among specific phobias overall functioning, and internalizing symptoms and the moderating role of family factors in a child phobic sample. Poster presented at the Annual Conference of the Anxiety Disorder Association of America, Savannah, GA. 2008
19. Benoit K, **Raishevich N**, Canavera K, Anderson S, Ollendick TH. Parental efficacy as a moderator of the relationship between child-reported parental overprotection and child anxiety. Poster presented at the Annual Conference of the Anxiety Disorder Association of America, Savannah, GA. 2008
20. **Raishevich N**, Cowart M, Costa N, Ollendick TH. The relationship among specific phobias, overall functioning, and internalizing symptoms in a child and adolescent clinic-referred sample. Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA. 2007
21. **Raishevich N**, Jarrett MA, Ollendick TH. Physiological symptoms and global functioning in children with specific phobias. Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA. 2007
22. Jarrett MA, Nygochi R, **Raishevich N**, Ollendick TH. Family characteristics of ADHD co-morbid subtypes. Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA. 2007
23. **Raishevich N**, Ollendick TH. Panic symptoms in childhood phobia and its subtypes Poster presented at the V World Congress for Behavioural and Cognitive Therapies, Barcelona, Spain. 2007
24. **Raishevich N**, Haden SC, Scarpa A. The relationship between child sexual abuse, risk taking behaviors, and revictimization. Poster presented at the 19th Annual Conference of the Association for Psychological Science, Washington D.C. 2007
25. Tanaka A, **Raishevich N**, Scarpa A. The relationship between family conflict and childhood aggression: The moderating role of child anxiety. Poster presented at the 19th Annual Conference of the Association for Psychological Science, Washington D.C. 2007
26. **Raishevich N**, Ollendick TH. Treatments and targets of childhood anxiety disorders: a 30-year review of randomized control trials. Poster presented at the Annual Conference of the Anxiety Disorder Association of America, St. Louis, MO. 2007
27. **Raishevich N**, Gravley A, Ollendick TH. Physiological characteristics in a child phobia sample: a phenomenological investigation. Poster presented at the Annual Conference of the Anxiety Disorder Association of America, St. Louis, MO. 2007
28. **Raishevich N**, Gravley A, Ollendick TH. Are primary and secondary phobias in 2007

children and adolescents categorically similar or dissimilar? Poster presented at the Annual Conference of the Anxiety Disorder Association of America, St. Louis, MO.

29. **Raishevich N**, Ollendick TH, Jensen PS. Treatments and targets of children's mental health disorders: a systematic randomized control trial review. Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Chicago, IL. 2006
30. **Raishevich N**, Levitt J, Jensen PS. Early identification of youth mental health problems: review of instruments in school settings. Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Chicago, IL. 2006
31. Tanaka A, **Raishevich N**, Scarpa A. The relationship between family conflict, child anxiety, and childhood aggression. Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Chicago, IL. 2006
32. Whitmore MJ, Davis T, **Raishevich N**, Ollendick TH. The relationship of parental warmth & positive affect to child performance in a behavior approach task. Poster presented at the Annual Conference of the Association for Behavioral and Cognitive Therapies, Washington D.C. 2005
33. Goring JC, **Raishevich N**, Jarrett M, Ollendick TH. Longitudinal examination of potential moderators in the development of internalizing disorders. Poster presented at the Association for the Advancement of Behavior Therapy, New Orleans, LA. 2004
34. **Raishevich N**, Ollendick TH. Multi-dimensional phobias in a child and adolescent sample: Implications for pathway acquisition. Poster presented at the Association for the Advancement of Behavior Therapy, New Orleans, LA. 2004
35. Whitmore MJ, **Raishevich N**, Ollendick TH. The relationship of child anxiety to maternal psychopathology and environmental expressiveness. Poster presented at the Association for the Advancement of Behavior Therapy, New Orleans, LA. 2004

#### Local/Regional Meetings

1. Schuman S, **Cunningham NR**, Sil S, Barnett K, Strotman D, Kashikar-Zuck S. Anxiety in youth with functional abdominal pain and the relationship to functional disability, pain, and healthcare utilization. Poster presented at the 2013 University of Cincinnati/SURF Student Presentations, Cincinnati, OH. 2013
2. Barnett K, **Cunningham NR**, Lynch-Jordan AM, Kashikar-Zuck S. The impact of depressive symptoms and catastrophizing on functional disability in youth with recurrent abdominal pain. Poster presented at the Midwest Regional Conference in Pediatric Psychology, Milwaukee, WI. 2012
3. **Raishevich N**, McFadden J, Gibson M, DePauw K. The Graduate Student assembly, graduate life center, and graduate school: graduate student resources at Virginia Polytechnic Institute and State University. Poster presented at the Conference of Southern Graduate Schools, Austin, TX. 2008
4. **Raishevich N**, Jarrett MA, Ollendick TH. The relationship between phobia 2007

subtypes, physiologic symptoms, and overall functioning in phobic youth. Poster presented at the Graduate Student Assembly Annual Research Symposium at Virginia Polytechnic Institute and State University, Blacksburg, VA.

5. **Raishevich N**, Ilyas J, Malley-Morrison K. An intensive case-study in a child and adolescent inpatient unit: A United Kingdom perspective. Paper presented at the Eastern Psychological Association Annual Conference, Boston, MA. 2005

## Media Coverage

Pediatrics article, *Integrating Psychological Screening into Medical Care for Youth with Abdominal Pain*, was covered in Reuters Health/Medscape (July 27, 2018).

[https://www.medscape.com/viewarticle/899823#vp\\_1](https://www.medscape.com/viewarticle/899823#vp_1)

Participated in Fox19 “Cincinnati News” Interview (February 17, 2017) on the topic of parental oversharing. <http://www.fox19.com/story/34535431/pros-and-cons-of-online-sharenting>

Participated in NPR/WVXU “Cincinnati Edition” Interview (October 11, 2016) on the topic of specific phobias. <http://wvxu.org/post/when-fears-turn-phobias#stream/0>

Participated in NPR/WVXU “Cincinnati Edition” Interview (August 16, 2016) on the topic of child anxiety. <http://wvxu.org/post/schools-reopen-are-your-kids-more-just-nervous>

## Other Creative Products

Creator, <https://steppedcare.research.cchmc.org/> 2015

Wrote psychoeducational material content for coping with pain and recorded relaxation techniques; Integrated into clinical care in GI divisions at Cincinnati Children’s Hospital Medical Center

Creator, Aim to Decrease Anxiety and Pain Treatment (ADAPT). 2014

Developed manual to treat pain and anxiety in youth with FAPD (drawing from existing CBT protocols). Worked with bioinformatics specialists to create interactive self-paced web-modules to deliver portions of the content. Pilot testing and randomized clinical trial.
